Dear Parent,

The State of Texas 2013-14 School Report Card is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be provided to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the “2013-14 School Report Card Definitions.” The report for each school may or may not have all the information described, because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the school report card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socio-economic status of the students and must include at least two years of results.

The School Report Cards can be found online at:

Please contact the campus principal if you have any questions concerning this report card. Thank you for your continued support of Rusk ISD.

Sincerely,

Dr. Scott Davis
Rusk ISD Superintendent
