Dear Parent/Guardians,

Rusk ISD would like to share some important information regarding Summer Accelerated Instruction for students taking STAAR/EOC tests.

The State recently enacted a law requiring all students who do not perform satisfactorily on each of their STARR/EOC tests to receive mandatory Accelerated Instruction. In order to comply with this law, Rusk ISD will provide this instruction during the summer. Any student that does not meet the standard is required to attend Summer School. Students who do not attend this required Accelerated Instruction will be evaluated for retention and may gain or lose a period/elective during the 2022-2023 school year to fulfill Accelerated Instruction requirements.

Rusk ISD Summer Accelerated Instruction will take place **June 6, 2022 – June 23, 2022 (excluding Fridays)** from **8:00 AM – 1:30 PM. Transportation and lunch will be provided.**

Locations will include:
